

Is there a Partner Program?

- MindManager for MS Teams
- MindManager

Partner Program

We are committed to enabling our channel partners to address the needs of your customers through a full suite of awesome creativity and productivity solutions!

Why partner with us?

- **Grow your business:** Create new opportunities, drive profitability, and differentiate yourself from competitors.
- **Strengthen customer loyalty:** We empower our resellers, distributors, and MSPs, making it easy to deliver Corel's creativity and productivity solutions to solve your customer needs.
- **Enablement and trainings:** We aim to inspire our partners to grow with us and achieve mutual success through awesome enablement tools, training, and resources.
- **Ease of doing business:** We value our partners, and our partner program is built on accountability, consistency, and transparency.

How to become a Partner?

To find all information on how to become a partner, visit the following [page](#).
Click on the button “BECOME A PARTNER” and fill the form.

Program benefits:
