Download links for currently supported MindManager versions

- MindManager
- Mindjet for Business/Web

Question

Where can I download MindManager for Windows/Mac ?

Answer

To download your version use one of the following links below:

For Windows:

MindManager Windows 23

MindManager Windows 22

MindManager Windows 21

For Mac:

MindManager Mac 23

MindManager Mac 22 (14) *

MindManager Mac 13

*MindManager Mac 14 is now called MindManager Mac 22 to match the version numbers across all MindManager products
